Dear Mr Manley,  
I received your letter  
and was glad to hear from you  
I am very sorry I had to leave,  
but I just had to come home on  
business I really liked the team  
and enjoyed myself while I was  
in Newark, and I haven't given  
up the idea of playing Base Ball.  
I am to be married next month and  
if possible I would like very much  
to join you later in the season  
if you would have me.

Mr. Manley about that team

I would like <sup>(2)</sup> very much to have  
it, because I need it so  
badly and that is the only thing  
that will help my condition  
until an operation is performed  
I have the money just now  
but I do want ad if you will  
hold it for me I will send  
the money very shortly. You  
know how it is when you  
gettin ready to start out in  
life give my regards to  
all of the boys.

I am hoping you lots of  
success in this and join you  
the team soon  
Yours Truly  
Robert Wang
